Many of our older pupils had great successes last year with external functional skills tests! Well done to Patrick, Danny, Jordan and Kasim for working so hard and passing those qualifications.

Coffee Morning

Due to Covid, this year we will be unable to have parents on site to raise money by hosting a McMillan coffee morning.

Instead, classes will do their own things (info to follow from teachers) and money raised will go to this important charity.

Katie in Willow Class has been busy making a (nearly!) life size robot of herself from junk materials!

Don't forget! Walk for Shelley next Tuesday. Shelley was a well loved teacher at Oak View School who sadly passed away 5 years ago. In her memory we encourage staff and pupils to wear her favourite colour (purple) on that day. Money raised on that day is donated to St Clare's Hospice. Many thanks in advance for your support.

Birthdays next week: Felix (Red)

Apologies to Cyrus (Yellow) who was missed off last weeks list!!

Enjoy your special days!
