

#10

Week Commencing: 9.11.20

We have returned this week and we hope that you all managed to enjoy the Half Term Break despite the ever changing restrictions and weather!

We have a busy week a head of us next week. We will be marking International Science Day on Tuesday with every class taking part in a 'light' experiment. Pupils are welcome to wear red on Wednesday to mark Remembrance day. We will have a display up made with poppies that each pupil has decorated; look out for pictures on Facebook and Twitter. On Thursday our Parents Evening reports will go out to families in lieu of face to face meetings and Friday marks the 40th Anniversary of Children In Need. Staff and pupils will be wearing pyjamas or onesies for the day with whole school (via zoom!) bingo taking place in the afternoon! What a week!

Tina Kearney, Head Teacher.

Upcoming dates:

9.11.20 Parents Evening reports out to families

10.11.20 World Science Day each class will be taking part in a special 'light' experiment.

11.11.20 Remembrance Day staff and pupils may wear red.

13.11.20 Children In Need

Donations welcome (suggestion of £1. Staff and Pupils to wear Pjs/onesies (or just non uniform) if your child becomes anxious at the thought of wearing pjs all day!)

Website

Our new school website launches on Monday (finally!). Have a browse! www.oakviewschool.org The site will be updated regularly with the goings on in school!

Facemasks....

These are compulsory for ANY visitor coming on to the school site. They are recommended for parents coming in to car parks to drop off/collect pupils although not mandatory.

Food boxes We know that the next few weeks/ months are worrying times for lots of our families. Incomes are being disrupted and even access to shops can be difficult. We have partnered with Epping Forest Food Bank and have a small number of emergency food supply boxes available on site. Please contact Julie (FEO@oakview.essex.sch.uk) or Tina (head@oakview.essex.sch.uk) if you feel you are in need of one. We are here to help.

Offsite visits

Whole class visits out in to the community are currently suspended for the next 4 weeks .

Birthdays coming soon: Albert (Green), Luke (Cherry) and Khanya (Apple)

Enjoy your special days!

"Together we can change young lives"

Children In Need 2020
