

#12

Week Commencing: 23.11.20

We continue to thank all our families with their support in adhering to our Covid arrangements currently in place, particularly around the start and end of the day.

As you will probably already be aware, we will be unable to gather as a school community to host our Christmas Concert this year in the usual way. However, we don't want the current situation to dampen our Christmas spirit, so the classes are busy practising their songs ready for us to record them! During the last week of term, we will release the Lower, Middle and Upper School performances each day on our website and Facebook page, finishing with whole school song and some special guests! If you do not wish for your child to feature in the performances, please let the office know. Tina Kearney, Head Teacher.

Upcoming dates:

30.11.20 St Andrews Day

Pupils and staff to wear blue and white if they wish.

New Curriculum There is a parental workshop (online) next Wednesday, 2nd December 2020, at 6pm with our Assistant Head Teacher, Mark, who will be explaining our new Curriculum that was launched this September. The new curriculum puts your son or daughter at the heart of their learning, focusing on skill development and life skill preparation.

If you would like an invitation to the workshop please register your interest with the school office or mark.terrell@oakview.essex.sch.uk

Further information available on our Facebook Page.
