Week Commencing: 13.9.21

We have had a wonderful first full week back at school. Pupils are settling in to their new classes. We have enjoyed the lovely hot weather with lots of activities taking place outside and of course we enjoyed Emergency Services Day on Thursday. The classes took part in a wide range of activities including putting out 'fires', being detectives and one class even performed surgery!!! Check out the website and Facebook page for photos. Reporting Absence If your child is not able to attend school. Please inform the school office as soon as possible in the morning. Please do not expect messages to be delivered via transport personnel. This will avoid you having to be called by the school to find out where your child is. If you have an pre planned event that would mean your child missing a day or some time form school, there is a special form obtainable from the office that needs to be completed. Thank you

Appeal In our playground we have a very small number of scooters that the pupils really enjoy using at playtimes. It is great for their physical development and keeping fit! We would love to be able to add a small number of scooters to the collection. If anyone has any scooters (ideally not toddler size ones) laying around the garage/house gathering dust and would be happy to donate, we would love to put them to good use! Thank you in advance

Birthdays Coming Up : Kacie (Pine), Sonny (Ash), Holly (Blue), Mary (Orange), Theo (Orange) Enjoy your special day, have fun!
