Week Commencing: 27.9.21

It has been another epic week at Oak View School, and yet we are so early in to a new school year!
Pirate day on Monday saw the classes taking part in lots of swashbuckling activities including walking the plank, digging for treasure and making maps!
Wednesday saw the whole school taking on a sponsored walk in memory of a well loved Teacher, Shelley Tooth, who passed away. We raise money for St.Claire's hospice each year in her memory.
Thursday was National Makaton Day and we all took part in activities that promote the use of this invaluable skill for communication. And finally Beech class held a cake café to raise money for Macmillan.

Support with driving

The opportunity to go out and about in our local community and beyond, enriches our curriculum. A number of our staff are trained to drive our minibuses, but there are not enough drivers to go around all the classes and sometimes swapping staff can be very complicated. If you know of anyone who has driven minibuses in the past, and would like to volunteer as a driver once or twice a week for the school, please ask them to get in touch! It would be for set times each week.

Beech Class

On Tuesday Beech class supported the local branch of the Salvation Army, by baking and providing cakes for their art and craft morning. They enjoyed socialising with the people who attended.

Appeal

We are looking for donations of old towels please!

Joke of the week

What's a pirate's favourite letter?
Arrrrrrrrrrrrrrrrrrrr!
