Week Commencing: 4.10.21

It feels like Autumn has finally arrived and lots of our pupils are noticing the change in the seasons; from the leaf colours, to the weather, to suddenly needing to wear warmer clothes!

Lots of our learning continues outside, so please make sure your child is dressed appropriately each day for the weather, ideally including a coat so we can still go outside and explore.

We have another busy week planned next week, including wearing green on Wednesday to raise awareness of World Cerebral Palsy Day and beaming our best smiles at the school photographer on Thursday!

IMPORTANT change of date

Our term dates for this academic year were circulated many months ago. Term was due to finish for pupils on Thursday 21st, and staff had an Inset the following day.

The Trust have decided to give the 22nd back to the schools for the Queen’s Platinum Jubilee, as the official holiday occurs during a Half Term. Therefore please note the following dates:

Wednesday 20th July; Last day of academic year for pupils.

Thursday 21st July; Inset Day for staff (training).

Dinner Money

As you will be aware there were some technical issues with our electronic pay systems at the start of term. We were unable to monitor what had and had not been paid. Some families have therefore reached the upper limit of money owed to the school for lunches. If you are in arrears, please pay this balance off before October half term—many thanks

Sad news!

One of our Assistant Head Teachers, Mark Terrell, is going to be retiring at Christmas. We are all sad about this news but know that he has an exciting new chapter ahead of him. We will be working with the Trust and our Governors through this period of transition.
