Week Commencing: 18.10.21

I attended a meeting this week with other Head Teacher's across Essex and listened to the increasing issues with attendance at their schools, due to high levels of illness as it is impacting staffing levels and in many cases resulting in class closures as safe staffing ratios have not been able to be maintained. I would like to thank all our Oak View families for their vigilance around illnesses amongst the pupils and patience when we air on the side of caution when asking you to collect poorly children from school. Not only is TLC from our family what we want when we are poorly, but it is definitely helping with managing pupil and staffing levels.

Please make sure the office have copies of the latest emergency numbers for your child. - Tina Kearney, Head Teacher

Rabbits

We are hoping to be joined by two new pet friends for the school Rabbits. The pupils will be helping to care for them. Please let the school office know if your child has an allergy to rabbit fur. If anyone has any links to any stables (hay) or pet stores (rabbit food), that may be able to help us, please let us know!
