

#16

Week Commencing: 17.1.22

Just over a year ago our wonderful school cook, Di Rawlinson, passed away suddenly, leaving our school community shocked and heart broken. Di loved our school and our pupils. She would do anything to help others and she has left a big hole within our school.

Today marked the inaugural "Di Rawlinson Memorial Bake-Off Competition". All classes were tasked with creating a 'show stopper' this morning with the theme of 'cats' which was an animal Di loved and we remembered how much she loved the colour purple! As I type, the show stoppers are being assembled in the meeting room to be judged by our panel. The winning class will hold the special trophy we have made in there class over this year until the competition is held again next year! Please find the winning class on our school Facebook page later today. -Tina Kearney, Head Teacher

Competition!!

A little while ago, whilst reviewing our learning spaces, we reflected that our traditional library was no longer being used as it once was. Over the past few months, and with thanks to some generous donations, we have converted the old Library in to a new "Story Space" to encourage a love of story across the school. The space will hold appropriate books for our pupils including story/sensory story bags and we hope will be place of fun and wonder. To mark the opening of this new space in school we are running a competition "We love stories; we read here, we read there, we read EVERYWHERE!". We want you to send in photos (which will be used in big display) of your child either looking at a book/story or sharing a book with someone in an unusual place! It could be an unusual place in your house or out of it! Please send photos to your class teacher. The more unusual the place the better! (Although we will love just simple photos too!!)

The winning entries will be announced shortly after the closing date of 28th January 2022.

We look forward to seeing the fun places we can enjoy stories!
