Week Commencing: 21.2.22

This half term has whizzed past! We have been impacted by Covid amongst staff and pupils, but thankfully, managed to keep classes open. The pupils have given their all to the topics, as they always do and have experienced a wide range of engaging learning opportunities.

Thank you as always to our incredible staff team for all their hard work within school—and our families at home for their continuing support. When home and school work together the impact on our pupils is priceless!
