

#21

Week Commencing: 7.3.22

Our ducks; Kristin, Julie, Daisy and Ronnie have now left Oak View to return to the farm and their friends. The pupils and staff have really enjoyed watching them hatch from the eggs and growing rapidly over the 10 days we had them! This week some classes managed to watch them having their first swimming experience which was great fun to watch and we made sure they were dried and fluffy after!
The power of animal encounters with our pupils is fantastic. We still enjoy our weekly visits from Karen and her 3 amazing sausage dogs. Pupils have grown in confidence around them and we have had lots of examples of increased, purposeful communication during these sessions.
The pupils also take good care of our Guinea Pig; Pig! -Tina Kearney, Head Teacher

Fundraiser
One of our pupil's Dads is running to raise money for our school! If you would like to support him, please go to Justgiving.com and search for Ashyia Akhtar in Crowdfunding. Thank you in advance.

Ducks and characters!
Check out the school Facebook page ove the weekend to see photos of the ducks that we hatched and images from today. There has certainly been an array of characters!

Green Class Playground
You may have noticed new fencing in Green class playground to make the area safer for pupils. Pupils using the entrance in to and from school each day will now use the ramp through the fencing.

Birthdays that have just been and are coming up : Dylan (Cherry), Millie (Olive), Nnadozie (Olive)
Enjoy your special Day!
