

Impact of Sport Premium Funding at Oak View School

What is the Sport Premium?

The Government provides funding to make additional and sustainable improvements to the quality of PE and sport we offer.

This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children.

The key indicators that schools should expect to see improvement across:

The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school

How the funding is used at Oak View School.

- At Oak View we received £16,590 Sports Premium.
- The money at Oak View School is used to fund additional Occupational Therapy access for a significant number of pupils through Jump Start.
- This supports pupils' physical movement development and our pupils' ability to self regulate– an important skill for life.

- Purchasing specialised sensory integration and PE equipment to allow access and to develop physical education for all pupils regardless of need.
- Pupils' access to sporting events outside of the school PE and sport is raised across the school as a tool for whole-school improvement
- Increased confidence, knowledge and skills of all staff in activities which promote pupils sensory integration, increase participation in PE and programmes to support physical activity.
- Broader experience of a range of sports and physical activities offered to all pupils.
- Opportunities to develop the appropriate life skills needed to engage in sports and physical activity.
- Provide staff with professional development, training and resources to help them teach PE and understand the aims of sensory integration for pupils.
- Support and involve the least active children by providing targeted activities, or extending school sports and holiday clubs
- Enter or attend sport experience sessions
- Encourage pupils to take ownership of their health through physical activity.
- Embed physical activity into the school day through addressing pupils' ability to self regulate through physical activity/movement breaks and feel ready to learn.
- Increase the number of pupils who take part in daily mile.
- Support Year 6 pupils in accessing swimming.

Impact of our funding

- An increase in the amount of pupils who access sports and physical activities..
- Increased awareness of movement, exercise and healthy lifestyles in all classes.
- Participation in more varied types of physical activities and multi skills sports.(swimming galas)
- Increased enthusiasm in participants due to the specialist nature of sport activities.
- Increased confidence in teaching staff being able to deliver sports and physical activities throughout the curriculum.
- Increased motivation of learners to be active.
