

#25

Week Commencing: 19.4.22

None of us can believe that we have reached the end of the Spring Term!
The classes have worked incredibly hard over the past term, engaging in a wide variety of exciting learning opportunities.
It was such pleasure to watch the hard work of the staff and pupils in two end of term events this week. Please take a look at our Facebook page at the wonderful images of the Middle School Fashion Show and the Lower School Easter parade.
I wish all my staff, our pupils and their families a wonderful Easter break. Fingers crossed we seem some spring sunshine and not the snow of this morning!!
- Tina Kearney, Head Teacher
