

#26

Week Commencing: 2.5.22

The Easter holiday is a long distance memory as we hit the ground running on our return and pupils emersed themselves in to their new topics!

On top of new topic activities, the pupils also took part in sessions and activities connected to Earth Day and St George's Day. In Upper School, the pupils launched the new, weekly, take away service for staff called 'Oak View's Bean Cookin''

Staff ordered their meal daeals and were very impressed with the quality of the sandwiches and Jacket potatoes, and the customer service was fantastic! The pupils are learning important life skills whilst also learning about the principles of enterprise; deciding what to sale, making the product, selling the product and developing the offer. Well done!

- Tina Kearney, Head Teacher

Upcoming dates;

2.5.22 Bank Holiday. School Closed

Transport reminder.

Message from our Family Engagement Officer, Julie McNally:

If you child is 16 or over from September 2022, you need to apply to renew school transport as soon as possible so that it is in place for when school starts back in September.

If you need support with this process please call me at the school or email me on FEO@oakview.wfspt.org

Topics

Our topics for this half term:

Lower School: Animals

Middle School: How does it work?

Upper School: How we can help the environment?

Birthdays that have just been and are coming up: Zac (Beech), Sienna (Gold), Todd (Oak), Kane (Orange)

We hope you enjoyed or enjoy your special day.

"Be someone's sunshine today" Anon.
