Week Commencing: 6.6.22

Lots of the pupils across the school planted bulbs around the site last week that had been donated by a parent. They are going to look amazing when they bloom!

This week our students showcased their talents at the Oak View has Talent show! Singers, signers, dancers and poets all took to the stage! IT was an incredible feast for the eyes! Well done to all those involved and thank you to our special judges!

Today's Jubilee celebration took place on the field, with the whole school coming together in a sea of red, white and blue, to dance and play with a DJ, face painting, party snacks, balloon arches and a photographer! Photos to follow! It was a wonderful morning.

Have a happy and safe half term break.
