Week Commencing: 20.6.22

Pupils in the Middle School, joined by a numbering of visiting pupils had a big water play session today to try and keep cool in the extreme heat! Lots of fun was had by all as well as ice pops consumed!

Next week we are holding our final Parents Evening of the year. We look forward to seeing many of you there to discuss and celebrate your child's progress over the year.

Enjoy this weekend; keep cool!
