

#2

Week Commencing: 19.9.22

We decided to go ahead with Roald Dahl Day this week, as many of our pupils were looking forward to it. There were some brilliant costumes put together of well loved characters. Please see our school Facebook page for the highlights of the day which included an edible James and the Giant Peach story session, a class making their own George's Marvellous Medicine and other pupils designing their own chocolate bars! A great day was had by all.

Today, Sophie, a parent of one of our pupils and a local Vicar, came to school for a short service of remembrance for the Queen. Pupils who could access the session created crowns of thanks for the memory tree and Sophie helped us to remember that it is ok to feel sad sometimes, but it is also important to say thank you to people who help us.

I wish you all a peaceful long weekend, however you chose to mark the occasion. —Tina Kearney, Head Teacher

Special Days

At Oak View School, we like to enrich our curriculum with 'special days', that include National and International days as well as awareness days and fundraising events. Some of those days include the option of dressing up. This usually supports our pupils understanding of the day and allows for further enjoyment of the occasion. However we wish to point out that there is never an expectation that pupils need shop bought costumes each time, and that a well placed, home-made accessory is as equally beneficial!

Haircut vouchers

The Ali Barbers Group has a number of male grooming shops in the local area. To give back to the community, they are offering all male students in local schools a free hair cut! We have heard of some of families having very positive experiences of this chain, with their young person with needs. The vouchers for the cuts should be with us soon and we will send them home!

Birthdays coming up Mary (Orange), Theo (Orange), Cyrus (Red), Sailer (Sunshine), Felix (Green)
ENJOY YOUR SPECIAL DAYS!
HAPPY BIRTHDAY!

The secret to getting ahead is getting started—Mark Twain
