Week Commencing: 26.9.22

Thank you is such a simple phrase but can have such a huge impact. It was 'World Thank You Day' on Wednesday and some of the classes took part in activities where they considered why we say thank you and who we can say thank you to. A simple thank you can go such a long way in people feeling seen and valued so.....

Thank you to our staff who always go above and beyond to make sure our pupils have the most incredible learning experiences. Thank you to our office staff and those behind the scenes who make sure our school ticks along smoothly! Thank you to our families who support our pupils and our school at every opportunity. And the biggest Thank you' is to our incredible pupils who are at the core of why we do what we do! They make our jobs a pleasure!

Have a great weekend

—Tina Kearney, Head Teacher
