Week Commencing: 10.10.22

Today we were awash in a sea of green clothing, raising awareness and showing our support for World Cerebral Palsy day. We also held a dance-athon this morning, belting out some classics and throwing some shapes on the dance floor; showing our support for our friends in school who have this condition. The morning included a very impressive and inclusive conga line doing the rounds!!

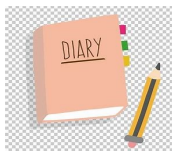

Don't forget that the school photographer will be in next Tuesday. Best smiles at the ready!

Have a great weekend

World Mental Health Day

On Monday, all our classes will take part in at least one activity that supports them in a moment of 'pause' and relaxation to support awareness for this important day. Our teachers took part in some powerful Mindfulness training last week, exploring the science behind this invaluable tool as well as some practical suggestions.

Facebook page

A reminder that our school has its own Facebook page which is updated regularly with the goings on at school. This year we are including a weekly round up of the activities that classes have been taking part in. Take a look!

Barber vouchers

By now, all male pupils should have received their free haircut voucher. We have enjoyed some of our pupils showing off their new cuts with pride!

Birthdays coming up None this week!
