Week Commencing: 21.11.22

Every academic year, every school up and down the country produce their School Development Plan which lies out the priorities that the school will focus on during that school year. We have just uploaded a user friendly version of the plan on to our website so that you can see some of the areas that Oak View are looking to develop this year.

We welcomed the Community Dentist to school today after a number of years away! They managed to see a number of pupils in the time allotted (a letter will go out to all those pupils who were seen). They will be back in January to see any pupils who were not seen today. Have a good weekend. - Tina—Head Teacher

Extra date for the diary!

It has just been announced that the country is getting an extra bank holiday next year to commemorate the King’s Coronation. This will be Monday 8th May. The school will be shut for pupils and staff on that day.

Children In Need

Today the school was awash with bright colours and spots in aid of Children In Need Day. Thank you for your donations to this charity. Each class was tasked with creating a game that had a spot or Pudsey theme. Saffron, Frankie with Tina and Graham tried all the games out which included pin the scarf on Pudsey, dot tiddly winks and a variety of matching games. Ash class won with a great colour dot matching card game! Well done.

Epping Forest Food Bank

Any donations towards this incredible service need to be in the school by Monday 21st November (change of date). Thank you in advance. Tinned ham, tinned custard, jam, hot chocolate, Christmas cake, stuffing, gravy granules, crackers, mince pies, selection box, Christmas pudding and chocolates.

Birthdays coming up Vincent (Willow), Deniz (Willow), Ava (Orange), Mia (Oak). Enjoy your special days!
