

#20

Week Commencing: 27.3.23

As we enter the last week of the Spring term, we take a moment to reflect on the extensive activities that the pupils (and staff in some cases!) have taken part in over the past few weeks.

We are immensely proud of the progress pupils have made over the term, from the seemingly smallest to the obvious largest achievements, every single one is recognised and celebrated!

-Tina, Head Teacher

Awareness Days

We have two awareness days next week. The purpose of these days is not to raise money, but to raise awareness and show support for our pupils that have various conditions. If you feel there is a day we have missed year, or know of a day that is important that is still to come this year please let Tina or one of the staff know so we can add it to the calendar.

Please see details of the 2 days this week in the column to the left!

Paradise Wildlife Park

In June this year, the majority of the school will be going off site for a trip to the zoo. Please keep an eye out for a letter containing details after Easter.
