Week Commencing: 19.6.23

Summer has certainly landed at Oak View School, with classes trying to keep cool whilst enjoying a range of activities! Pupils in Holly class worked together to build dens as part of their topic on Holidays. Willow class have been helping to manage the plants in this weather at the Grow Community site as well making refreshing smoothies. Oak class made cookie cups and filled them with ice cream whilst Beech class have been learning about people who help us. Olive class enjoyed a sports experience day on Monday where they met Frank Bruno; Apple class made fruit and yoghurt poppets and the Travelling Librarian (sensory stories) visited some of the classes to tell her tale of camping! Have a great week— Tina, Head Teacher

Oak View Has Talent

Next Wednesday the school will host an array of talent to rival Britain's Got Talent! Lots of our pupils will be showcasing their amazing talents and you are welcome to join us. Doors will open at 1.30pm, with the show starting promptly at 1.45pm. We know that some of our pupils find it difficult to manage events in the hall so please check with your child's class teacher to see if they are involved, although you are still welcome to come along and watch even if they are not!

Summer Holiday club

A reminder that there will be no school summer club during the holidays. We are hoping to reinstate holiday clubs next academic year.
