Week Commencing: 26.6.23

Lots of information for you all this week! See below!

Have a great week— Tina, Head Teacher

Next Friday our pupils will be taking part in lots of activities to do with space in their classes! Look out for photos on FB and the website.

Possible expansion

There is a possibility that in the future, Oak View School may expand on to another site. There is a proposed development of a purpose built school in Buckhurst Hill (as part of a redevelopment plan) that would serve Upper School. Lower and Middle School would remain at the Whitehills Road campus and Upper School would be located in the campus at Buckhurst Hill. We are probably a few years away from this in reality but parents are welcome to a consultation with Developers, at school on July 10th at 2pm to hear more about this. Staff are welcome to hear about the development at 3.20pm. Our CEO, Peter Tidmarsh will also be present.

Attendance and punctuality

To support consistency with recording in the registers, from September a pupil will be considered late after 9.10am. If your child comes in to school after this time they will be marked down as late (L). If they come to school after 9.20am, it is marked as 'late after registers closed' (U) The same applies to pupils arriving by school transport.

A pupil will be considered in school once in the care of our school staff.
