Week Commencing: 11.9.23

A very warm welcome back to the first Newsletter of a new school year!

This weekly newsletter is for families, staff and friends of Oak View to enable them to keep up with the goings on of our wonderful school community.

We also have our school website www.oakviewschool.org, and our Facebook page 'Oak View School' that contain information and photos of our special school and what we get up to!

I hope you have all enjoyed the summer (even if the sun struggled a little!). A special welcome to all new staff and families starting at Oak View.

We look forward to the year ahead!

Class Focus: Eagle Class

Each week we will have a guest piece from a different class, letting us all know what they have been up to that week!

We have had a busy first few days back. It has been very hot but we have still managed to enjoy lots of activities.

We have welcomed new friends in to Eagle class, Working together we made our own mini boats and 'sailed' them. It was lots of fun and ended up in a water fight! It was so hot we dried off quickly!!
